Dear Parent/Guardian:

This letter is intended for parents or guardians of children enrolled in a child care center. This center offers healthy meals to all enrolled children as part of our participation in the U.S. Department of Agriculture's (USDA) Child and Adult Care Food Program (CACFP). The CACFP provides reimbursements for healthy meals and snacks served to children enrolled in child care. Please help us comply with the requirements of the CACFP by completing the attached Household Income Eligibility Statement (IES). In addition, by filling out this form, we will be able to determine if your child(ren) qualifies for free or reduced price meals.

1. Do I need to fill out an IES for each of my children in day care? You may complete and submit one CACFP Household Income Eligibility Statement for all children enrolled in child care in your household only if the children in child care are enrolled in the same center. We cannot approve a form that is not complete, so be sure to read the instructions carefully and fill out all required information. **Return the completed form to: Mid Michigan Child Care Food Program, P.O. Box 610, Freeland, MI 48623.**

2. Which child care institutions can receive free meal reimbursement without providing household income information? Children in households receiving Food Assistance Program (FAP), Family Independence Program (FIP), or Food Distribution Program on Indian Reservations (FDPIR) can get free meals. Foster children and children enrolled in Head Start and Even Start are also eligible for free meals.

3. Who can get reduced price meals? Your children can get low cost meals if your household income is within the reduced price limits on the federal income eligibility guidelines, effective July 1, 2015, until June 30, 2016, shown below:

Family Size	Yearly Income	Monthly Income	Weekly
1	\$21,775	\$1,815	\$419
2	\$29,471	\$2,456	\$567
3	\$37,167	\$3,098	\$715
4	\$44,863	\$3,739	\$863
For each additional family member add:	\$7,696	\$642	\$148

Refer to the Instructions for Parents/Guardians Household Income Eligibility Statement on how to complete the IES. Find the category that most closely defines your household and follow the directions for completing each part of the IES. If your household income is greater than the levels shown on the above CACFP income guidelines, it is not necessary for you to complete the IES.

Your family may be eligible to receive health insurance, called MICHild, through the State of Michigan. MICHild is a health insurance program for uninsured children of Michigan's working families. To determine if your family is eligible, call 1-888-988-6300 for an application or access an online application at www.michigan.gov/michild. At the web address, you can also access the MICHild brochure that briefly explains the insurance program.

Your family may be eligible to receive Women, Infants & Children (WIC), a health and nutrition program, that has demonstrated a positive effect on pregnancy outcomes, child growth, and development. To determine eligibility, call 1-800-26-BIRTH or access online information at www.michigan.gov/wic to learn about WIC and locate a local WIC agency.

4. May I fill out a form if someone in my household is not a U.S. citizen? Yes. You or your children do not have to be U.S. citizens to qualify for meal benefits offered at the child care center.

5. Who should I include as members of my household? You must include all people in your household (such as grandparents, other relatives, or friends who live with you). You must include yourself and all children who live with you. You also may include foster children who live with you.

6. How do I report income information and changes in employment status? The income you report must be the total gross income listed by source for each household member and the frequency the income is received. If recent income does not accurately reflect your circumstances, you may provide a projection of your income. If no significant change has occurred, you may use last month's income as a basis to make this projection. If your household's income is equal to or less than the amounts indicated for your household's size on the federal income eligibility guidelines listed above, the family day care home will receive a higher level of reimbursement. Once properly approved for the higher reimbursement rate, whether through income or by providing a current FAP, FIP, FDPIR case number, or listing the name of other categorically eligible programs, you will remain eligible for those benefits for 12 months. You should, however, notify us if you or someone in your household becomes unemployed and the loss of income unemployment causes your household income to be within the eligibility standards.

7. What if my income is not always the same? List the amount that you normally receive. For example, if you normally receive \$1,000 every two weeks, but you missed some work in the last two weeks and only received \$900, put down that you receive \$1,000 per every two weeks. If you normally receive overtime, include it, but not if you only receive it sometimes.

8. What if I have foster children? Foster children that are under the legal responsibility of a foster care agency or court are eligible for free meals. Any foster child in the household is eligible for free meals regardless of income. Households may include foster children on the IES, but are not required to include payments received for the foster child as income.

9. We are in the military. Do we include our housing and supplemental allowances as income?

If your housing is part of the Military Housing Privatization Initiative and you receive the Family Subsistence Supplemental Allowance, do not include these allowances as income. Also, in regard to deployed service members, only that portion of a deployed service member's income made available by them or on their behalf to the household will be counted as income to the household. Combat Pay, including Deployment Extension Incentive Pay (DEIP) is also excluded and will not be counted as income to the household. All other allowances must be included in your gross income.

In the operation of child feeding programs, no person will be discriminated against because of race, color, national origin, sex, age or disability.

If you have other questions or need help, call **989-695-2683 or 1-800-742-3663**

Sincerely,

Bill Paul
Center Manager

The U.S. Department of Agriculture prohibits discrimination against its customers, employees, and applicants for employment on the bases of race, color, national origin, age, disability, sex, gender identity, religion, reprisal, and where applicable, political beliefs, marital status, familial or parental status, sexual orientation, or all or part of an individual's income is derived from any public assistance program, or protected genetic information in employment or in any program or activity conducted or funded by the Department. (Not all prohibited bases will apply to all programs and/or employment activities.)

If you wish to file a Civil Rights program complaint of discrimination, complete the USDA Program Discrimination Complaint Form, found online at http://www.ascr.usda.gov/complaint_filing_cust.html, or at any USDA office, or call (866) 632-9992 to request the form. You may also write a letter containing all of the information requested in the form. Instructions for Parents/Participants/Guardians
Household Income Eligibility Statement - Child Care Institutions

If you are applying for foster child(ren) only, follow these instructions:

Part 1: Do not complete.

Part 2: List name, age, and birth date of foster child(ren); check the box for foster child.

Part 3: Sign and date the form. The last four digits of a social security number are not necessary.

If your household receives Food Assistance Program (FAP), Family Independence Program (FIP), or Food Distribution Program on Indian Reservations (FDPIR) benefits, follow these instructions:

Part 1: List the name and case number for any household member (including adults) receiving FAP, FIP, or FDPIR.

Part 2: List the name, age, and birth date for all children enrolled in day care.

Part 3: Sign and date the form. A Social Security Number is not necessary.

Note: Benefits received under WIC, Medicaid, or Department of Human Services (DHS) Child Care Assistance Program (where DHS pays a portion of your child care expense) does not automatically qualify for Category A (free) meals.

All other households, including households where some of the children are foster children, follow these instructions (not required if household is over the income limits and don't have any foster children):

Part 1: Do not complete.

Part 2: List the names and ages of everyone (related or not related) living in your household, including you, other adults and children (If you need more space, use a separate sheet of paper.);

Place a **X** in the column for all children enrolled in child care;

List household members' ages and dates of birth;

Place a **X** in the next column if children in the household are foster children;

If no case number is indicated in Part 1, list (by person) the amount and source of income that person receives and the frequency the income is received. List earnings **before** deductions, welfare benefits, child support or alimony or any other income including retirement, Social Security, Supplemental Security Income (SSI), Veteran's (VA) benefits, disability benefits, Worker's Compensation, unemployment, strike benefits, regular contributions of people who do not live in your household or any other income; and

Place a **X** in the box for those listed who do not have income.

If you are in the Military Housing Privatization Initiative or receive Combat Pay, do not include the housing allowance as income.

Foster child payments received by the family from the placement agency are not considered income and do not have to be reported. The presence of a foster child in a family does not make all children in the household automatically eligible for free meals.

If you are a farmer or self-employed, income is gross farm or business income received in the month prior to application minus farm or business expenses. Gross wages from other jobs or income from other sources must also be listed as income. A loss from self-employment must be listed as zero income and cannot reduce other income.

Help Determining Annualized Income

If your household receives income at different frequencies (i.e. one person may receive monthly retirement income and another may receive weekly pay checks) then all income must be annualized. Use the following chart to annualize income:

If paid every week, multiply the total gross income by 52.

If paid every two weeks, multiply the total gross income by 26.

If paid once a month, multiply the total gross income by 12.

If paid twice a month, multiply the total gross income by 24.

If paid once a year, enter the yearly income amount.

Part 3: Sign and date the form and list the last four digits of your Social Security Number or check the box indicating "I do not have a Social Security Number."

Return the completed application to the child care center.
